

# THANK YOU IN HITCHIN AND SURROUNDING VILLAGES

POVERTY

We raised **£17,124.69**  
for Christian Aid's work

Factory workers finish their shift at Soppexcca's coffee-processing plant in Jinotega, Nicaragua. Thanks to your support, Christian Aid's partner Soppexcca has helped to transform lives in this area by enabling coffee farmers to reach more customers and get a better price for their beans. They are also investing in the future, supporting local schools and youth projects

**You've helped people in poverty out of poverty**
