

I'm contacting you on behalf of **Covenant Praise Church**. We are planning on attending the BigChurchDayOut in Sussex on June 3rd and would love it if you could join us. [BigChurchDayOut 2012](#)

We had a pulpit exchange on Sunday and our guest spoke of his passion for unity amongst the churches in Hitchin, mentioning the great things we already do together as a group. Following from this, as we are all members of Churches Together in Hitchin we thought it would be a good idea if we did another event together, attend the BigChurchdayOut. This would give all of us the opportunity to:

- Enjoy a great day out together
- Fellowship
- Make some new friends
- Keep costs down by using the group booking discounts

We plan on hiring a coach to take us from Hitchin. We have sent an email to our church members, families and friends asking them to let us know by 4th February so we can secure coach hire.

Therefore could you please let me know by 30th January if you are interested in our churches joining together for this event?

I look forward to hearing from you.

God bless,

Andréa
