

REHEARSALS and Information for "ALADDIN" AT St FAITH'S

Rehearsals are now starting to come together with all of the acting, stage movements and music. Very soon we will be starting to make the scenery and props.

It was thought if we did set making on Sundays from 1 – 3 it would help to remove a lot of the work which occurs in the run up to the actual shows. We would then be able to continue with the rehearsals as normal. There will of course be stage building and dressing to be done during the actual week of the performance. The dates for this are now in the schedule below and all help would be welcome. **It might be an idea to wear old clothes though as there will be some painting involved at times.**

As a broad rule of thumb, we will only need children & chorus parts on Sundays from 8th January when we will start to stitch the show together, & practise dance routines, try out costumes etc as we go.

Below are the DATES for rehearsals with which SCENES & ACTS to be rehearsed so you know which of these you don't have to attend.

The following will help to keep the smooth running of everything involved

- 1) Please be at Church few minutes before rehearsal starts so we can begin ON TIME
- 2) **Everyone to know their words & Cues ASAP - latest Sunday 15th January**
- 3) Work with any props available ASAP (it really will help you)
- 4) Remember to PROJECT your voice as we won't have microphones!!
