

DO YOU WANT TO LEARN TO PLAY A RECORDER

Tyrese, a member of the St Faiths choir, recently started learning the recorder with Mary Brenchley 4 months ago and he has just played in his first Music Group Service for the church, playing the descant recorder in the St Faiths Harvest Festival.

Obviously Tyrese has worked very hard and Mary is delighted with the progress he has made. He is currently using a recorder kindly donated by a member of one of the parishes in the Hitchin Team.

Learning a recorder is a good way to get to grips with the basics of reading music. It can be a lot of fun, playing music together and learning at the same time. As Tyrese has proved by his example, excellent results can be achieved. There are more recorders and free tuition is available to anyone who wants it. All you have to do is ask Mary. Why not give it a try?
